

Safety Data Sheet

1. Identification

Product Name: Starlight Pigment - 04

Distributor: Glitter Unique

Address: 1032 N. Crooks Rd. Suite M, Clawson, MI 48017 USA

Contact: Tel: 248-825-9694 | Email: MSDS@GLITTERUNIQUE.COM

2. Hazard(s) Identification

This product is not classified as hazardous under normal conditions of use.

Potential Health Effects

- Prolonged or repeated inhalation of dust may cause lung irritation or damage.
 - May cause mild skin and eye irritation.
 - Prolonged exposure may cause respiratory irritation or allergic reactions.
 - Ingestion is not expected to cause adverse health effects under normal use.
-

3. Composition / Information on Ingredients

Ingredient	INCI Name	CI Number	CAS Number	Function
Silicon Dioxide	Silica	—	60767-80-0	Effect substrate/carrier
Titanium Dioxide	Titanium Dioxide	CI 77891	1317-80-2	Pearlescent/whitening pigment
Silicon	Silicon	—	7440-21-3	Reflective effect material
Red Pigment	Red 7 Calcium Lake	CI 15850:1	29092-56-6	Color pigment
Blue Pigment	FD&C Blue 1	CI 42090	3844-45-9	Color pigment

4. First Aid Measures

Inhalation:

Move to fresh air. Seek medical attention if symptoms persist.

Safety Data Sheet

Skin Contact:

Wash thoroughly with soap and water.

Eye Contact:

Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do.

Ingestion:

Rinse mouth. Seek medical attention if large amounts are swallowed or discomfort occurs.

5. Fire Fighting Measures

Suitable Extinguishing Media:

Use extinguishing methods appropriate for surrounding fire conditions.

Specific Hazards:

Product is non-combustible.

Protective Equipment for Firefighters:

Use self-contained breathing apparatus when necessary.

6. Accidental Release Measures

Avoid generating airborne dust.

Sweep or vacuum material into appropriate containers for disposal. Clean contaminated area thoroughly.

Use appropriate personal protective equipment during cleanup.

7. Handling and Storage

Handling

Avoid breathing dust. Use with adequate ventilation.

Storage

Store tightly sealed in a cool, dry area. Protect from moisture.

Safety Data Sheet

No special temperature restrictions known.

8. Exposure Controls / Personal Protection

Personal Protective Equipment

Respiratory Protection:

Use dust mask or respirator if airborne particles are generated.

Eye Protection:

Safety glasses recommended.

Hand Protection:

Protective gloves recommended.

Hygiene Measures:

Wash hands thoroughly after handling.

9. Physical and Chemical Properties

Property	Value
Appearance	Fine Powder
Color	Pale Blue Reflective Purple
Odor	Odorless
pH	6–9 (slurry)
Solubility	Insoluble in Water
Density	2.8–3.1 g/cm ³
Bulk Density	26–30 g/100mL
Particle Size	10–70 µm
Heat Resistance	Recommended below 150°C
Shelf Life	5 Years

10. Stability and Reactivity

Stability

Safety Data Sheet

Stable under normal storage and handling conditions.

Conditions to Avoid

Excessive heat and dust generation.

Hazardous Decomposition

No known hazardous decomposition products under normal conditions.

11. Toxicological Information

No specific toxicological data available for this product.

Excessive exposure to dust may cause temporary irritation to eyes, skin, or respiratory tract.

12. Ecological Information

No ecological data available for this product.

When handled properly, no significant environmental impact is expected.

13. Disposal Considerations

Dispose of contents and container in accordance with local, regional, and national regulations.

14. Transport Information

Not regulated as dangerous goods for transport.

15. Regulatory Information

Safety Data Sheet

This product is not classified as hazardous under applicable EC directives.

Avoid breathing dust during handling.

16. Other Information

The information contained herein is believed to be accurate and is provided in good faith. No warranty is expressed or implied regarding the accuracy or completeness of this data.
